Letter to Our Customers

To whom it may concern:

Our business will remain open until further notice in order to provide required services and products for local industry & individuals.

We ask that people please call in advance to entering our office & shop area due to health and safety concerns. This will allow us to better co-ordinate loading, unloading, and any correspondences. It will also allow us to communicate any new procedures or expectations with customers beforehand.

There is presently restricted access to both our office and shop. That is to say, customers will still be allowed to visit our sales/accounting departments but will be required to observe appropriate social & physical distancing.

We are taking it upon ourselves to keep our business both clean and sanitary during the COVID-19 pandemic. We thank you for your co-operation and understanding during this difficult time. You can contact the following numbers for after-hours/emergency service:

250-719-9163
250-784-5924

Thank you,
Management & Staff

Thank you very much for your patience! We appreciate your business!
Merci pour votre patience! Nous apprécions vos affaires!!
